

ATTENTION DOG OWNERS:

By city ordinance, owners of all dogs over the age of 4 months, residing within the city limits, shall acquire a license for each animal annually.

The current licenses will expire on May 31, 2015. New licenses can be picked up at the city clerk's office during working hours or you can drop off the fees and rabies certificate and a license will be mailed out to you.

The fees are as follows:

\$10.00 for each male and each spayed female dog

\$20.00 for each unspayed female dog.

At the time of licensing, you must have with you a certificate from your vet showing that the dog's rabies shots are current for the upcoming year of the license.

The deadline for licensing is May 31, 2015 or you may be subject to fines.
